

LABOR DAY IS CELEBRATED

Program in City Enjoyed by Large Crowd Throughout Entire Day

SO MANY VISIT BUCKEYE LAKE

REV. L. S. BOYCE ADDRESSED TRADES UNION ON SUNDAY

Monday Passed Without Serious Accidents---List of Prize Winners Here Given.

The Labor day celebrations in this city and at Buckeye Lake were grand successes, immense crowds being present from early morning until a late hour in the evening, and there was no dull moment. The celebration in this city was much more pretentious than at the lake, as those who were there went for a picnic.

In the city, beginning with the parade at 10 o'clock, events followed on another rapidly. The following order of parade was observed:

City Police.
Mayor McCleery in carriage, followed by carriages bearing the members of the Boards of Public Service and Safety, and other city officials.

Members of the City Council.
City Fire Department,
Iron Molders' Unions, Nos. 152 and 20.
Carpenters

n	Stove Mounters.
U-	Teamsters.
	Polishers.
SS	Retail Clerks.
OC	Sand Cutters.
D-	Hod Carriers.

These were followed by a few representatives of other unions. Excellent music was furnished during the parade and in concerts about the square and through the day and evening by the

organized Buckeye band, and under his management for the past twelve years of Robert Dold, and the capable direction of Mr. Will Reynolds, the Glenford band, and the Mt. Vernon band. The visiting band gave fine programs, but the new Buckeye band was such a surprise to those who heard it that it is deserving of special mention.

The regular program as announced in Saturday's Advocate, was observed and the prizes in the numerous contests which were highly amusing to the hundreds of spectators were awarded as follows.

Goat race—First prize, \$1.50; won by Wm. Bartholomew. Second prize, \$1 by Richard Holler.

Foot race (men)—Prize, a box cigars; won by Bert Swanson.

Pipe race—Frank Roedel: a box cigar.

Commencing at promptly 1 o'clock the afternoon program took place, resulting in the following prizes:

Stock race, 1st prize \$2 won

The guinea which was liberated from the top of the Barney Byrnes block by Dan Eisenstein.

The turkey, liberated from the R. Men's hall, landed finally in the hands of Henry Fitzsimmons, who was so enthusiastic over the capture that he had promised to secure more turkeys and give a "stew" for his friends on Monday.

Mr. Saturday night.
The watermelon contest, prize
was won by Robert Cleveland. The
prize was \$1 and a half day of su-
perior. It is understood that Mr. Cle-
land did not suffer from the latter.

Shoe contest—1st prize, a pair shoes; by Jas Hannagan. 2d, \$1.

The event of the events was the football contest. The bill was thrown from the top of the Warden, and after nearly thirty minutes of the old-fashioned war Frank Roekeli brought ball to the center announced res-

Frank Rockel won the milk contest and received a prize of \$1 after which the fat men's race took place and suited in James Regan winning first prize, \$2; L. Gosnell, 2d, \$1, and C. Snider, 3d, 50 cents.

The closing event was the throw of the live guinea from the top of

building on the South Side occupied Charles Dean's restaurant. The mob was captured by George Campbell. The big program never did.

SMYSER NOT A FRIEND OF LABOR

Coshocton Newspaper Shows His Attitude of Indifference Toward Organized Labor and Secret Hostility to Its Interests.

The Coshocton Review gave a full account of the recent Republican county convention in that city, and made special reference to the speech delivered by Congressman Smyser on that occasion. The Review draws attention to that part of Smyser's speech wherein he had something to say to the workmen of Coshocton. Then the Review makes a telling point by citing the fact that Smyser "did not explain to them why he voted in the House to nullify the eight hour day, in its application to Panama canal workers. Neither did he throw any light upon his attitude toward organized labor in this district, nor give reasons for returning evasive and unsatisfactory replies to communications addressed to him in respectful terms, asking that he outline his true position toward matters of vital importance to that great body of his constituents found in the ranks of the organized toilers, who are not to be satisfied with empty and evasive platitudes.

"On the 26th of last April, Samuel Gompers, president of the American Federation of Labor, addressed a letter to Smyser, requesting his views on the subject matters contained in the bill of grievances enclosed. The memorial from organized labor was signed by President Gompers and by the official heads of the various national organizations affiliated with the A. F. of L., and was also presented to President Roosevelt, Senator Frye, president pro tem of the Senate, and Speaker Cannon, of the House of Representatives.

"Four months have elapsed and President Gompers has not yet re-

ceived, any reply to his communication to Congressman Smyser. But Mr. Smyser's silence and evasion will not be misconstrued. They illustrate more forcibly than could words, perhaps, his attitude of indifference toward organized labor and secret hostility to its interests."

The Review makes a better showing for Wm. A. Ashbrook, the Democratic candidate for Congress. It says:

"The record of this opponent, Mr. Ashbrook, in the Ohio Legislature, is satisfactory to laboring men, and should meet with their endorsement at the polls."

It is refreshing to see the truth confessed in a Republican organ like the following from the Pittsburg Dispatch: "Once when the Senators were supposed to be in control of the question in Ohio was about the endorsement of the President. Since the people have been heard from it has been changed to the question of endorsing the Senators."

Senator Beveridge, of Indiana, throws up his hands and surrenders on every issue and makes the endorsement of the President to only thing left for the Republicans. The Democrats have always claimed that Republican policies will not bear inspection, and nothing but a Democratic Congress will relieve the people from Trust protection and corporation plundering.

The Coshocton Review of August 31 makes the following reference to Congressman Smyser that is suggestive to say the least: "Congressman Smyser, who discussed temperance matters with so much surface concern, in his speech here last Saturday, was later overcome by Coshocton—heat, was it? Well, no matter; he will be overcome by Coshocton votes in November."

C. L. V. HOLTZ IS NOW TREASURER

W. N. FULTON RETIRES FROM OFFICE AFTER FOUR YEARS' SERVICE.

Mr. Holtz Appoints Will H. Miles as His Deputy and Reappoints Mr. J. K. Poundstone.

The office of county treasurer, one of the most important and responsible offices in the county, changed hands on Monday morning, September 4, when Mr. W. N. Fulton, who has filled the office for the past four years, retired to be succeeded by his faithful deputy, Mr. C. L. V. Holtz. During the entire time of Mr. Fulton's term, Mr. Holtz, has had practical charge of the office, performing the duties pertaining to the position in a manner highly satisfactory to the people of the county. Mr. Holtz entered the treasury's office under Treasurer E. T. Rugg in 1898 as night watchman of the treasury and served in that capacity one year and six months when he was promoted to deputy treasurer under Mr. E. T. Rugg, serving with Mr. Rugg in this capacity for the remainder of his term, two years and six months. When Mr. Fulton went into the office as county treasurer four years ago he retained Mr. Holtz as his deputy, and he has practically performed all the duties of that office ever since that time. In the summer of 1905 Mr. Holtz was the nominee of the Democratic party for the office of county treasurer and was elected by a handsome majority.

Mr. Holtz has secured for his deputy, Mr. Will H. Miles, son of Mr. S. W. Miles, a former well known and highly respected farmer of Mary Ann township. Mr. Miles was brought up on the farm and attended the Hanover high school, from which he graduated with high honors. After graduating from the Hanover high school, Mr. Miles attended the Ohio Northern University at Ada, O., graduating there in 1895, with the B. S. degree. Since graduating he has followed the profession of teaching and for the past four years has been the efficient superintendent of the public schools at St. Louisville. He was employed by the board of education for this year, but Mr. Miles tendered his resignation in order to accept the position of deputy county treasurer.

Mr. Holtz has also retained as night watchman of the treasury, Mr. J. K. Poundstone, who has so efficiently filled the position for the past four years.

AMUSEMENTS

THE CHRISTIAN TONIGHT.
"The Christian" will be presented at the Auditorium tonight by John A. Himmerlein's Imperial Stock company, which opened a week's engagement at the Auditorium Monday. This is the first time "The Christian" will have been presented at popular prices in Newark. The company carries much special scenery and many capable people.

"LADY JIM."

Miss Hilda Spang is described by Geo. Henry Payne as one of the most clever actresses of the day. She appeared this week as the star of the

cast in the part of "Lady Jim" in Newark. Mr. Payne calls the play pretty but paltry.

A thorough knowledge of the "geography" of London is required of cabmen. Among 735 applicants for license in 1904, there were only 356 who passed the examination; and of those more were dropped because they did not know how to drive.

It is estimated by competent authority that the number of child laborers in the United States today is close to 2,500,000.

The Influence Of What We Eat

Young People Are Especially Susceptible To This Influence.

The nourishment taken by body and mind, the extent to which this nourishment is assimilated, the form and proportions in which it is taken into the system, the amount of food and drink consumed, and the care given to the body and the various functions—all profoundly affect the health.

Some individuals think they can abuse the laws of nature with impunity, but even the grossest endorsements of physical vigor eventually succumb while the great mass of people, especially the young, are peculiarly susceptible to the food they consume. As "Good Housekeeping" in an editorial suggests, health depends not so much on the nourishment taken into the stomach as on the extent to which this nourishment is taken up by the system. Malt-Vita, the perfect malted whole-wheat food, so rich in nourishment, containing every food element necessary to the sustenance of the human body and mind, is readily assimilated, even by the weakest stomach, because of the large percentage of maltose, or malt sugar, which it contains. Maltose is a natural sweetening agent and forms rich, healthy blood.

Malt-Vita is especially beneficial for children, and it is so good to eat now for sale by all grocers, 10 cents.

DOESN'T FEAR INTERVENTION

Cuban Rebellion Will Be Put Down Without Any Outside Aid.

PRESIDENT PALMA TALKS

States the People Are Not in Sympathy with the Insurgents—Vice President a Loyal Supporter of the Government—In Position to Protect All Interests.

Havana, Cuba, Sept. 4.—President Palma in an interview here put an end to any expectation that he would make any concessions whatever to the rebels beyond the offer of pardon, already extended. The president said he could not possibly make such concessions now or hereafter and could not see in any event what the government could offer beyond what had already been done. American intervention, the president said, had not been considered, because the government believed it could end the insurrection without assistance.

Concerning American intervention President Palma said: "That matter has not been under consideration, because we believe we can control the situation without any outside aid. We shall put down this senseless rebellion by force, and we feel amply confident in our ability to do it. There may be some isolated encounters and desultory fighting, but we will be in a position to protect all interests. The people are not in sympathy with the rebels."

Concerning the reported quarrel with Vice President Mendez Capote and the rumors that the latter is trying to have him deposed, President Palma said: "Such a report is a malicious slander on a distinguished patriot and loyal friend of the administration and my personal friend. The vice president was away on a vacation and he advised me promptly of his homecoming, and is here daily assisting us with his advice and prestige."

There is a disposition in best-informed circles not to agree with the stand taken by President Palma that the government should not treat with the insurgents upon the basis of arranging a compromise, and the president is understood to have already modified his attitude to the extent that he has no objections to private negotiations on the subject. The leading newspapers representing all parties will press the idea of a political settlement, and it is believed that public opinion will soon set irresistibly in that direction. A common expression heard is "the war began through differences between the political parties, and therefore they are the ones who ought to settle it in the most prompt and effective manner possible, save the dignity and sovereignty of the republic and avert further bloodshed."

REQUISITION

Sought For Paul Stensland, Former Chicago Banker.

Chicago, Sept. 4.—Judge Pond signed the petition for requisition papers for Paul Stensland, the fugitive bank president, prepared by Acting State's Attorney Barbour, after which it was taken to the secretary of state. The petition is accompanied by affidavits in support of charges of forgery. A petition to Governor Deneen and one to President Roosevelt were also included among the papers forwarded to the secretary of state.

ATTORNEY

Seeks Arrest of Governor Hoch and Other Prominent Men.

Topeka, Kan., Sept. 4.—Ira N. Terrill, recently released from the state prison at Lansing, where he had served a term under the charge of murder committed in Oklahoma, appeared at the office of United States District Attorney Bone and demanded that warrants for the arrest of Governor E. W. Hoch, ex-Governors W. J. Bailey and W. E. Stanley of Kansas; ex-Governor Ferguson of Oklahoma; and ex-Warden E. B. Jewett of the penitentiary, be issued at once. Terrill declared that he had been unlawfully held and was not guilty as charged of murder. District Attorney Bone informed him that a proper petition would, if presented, be given consideration. Terrill is an attorney.

BLOODY BATTLE

Between Italians and Members of the State Constabulary.

Punxsutawney, Pa., Sept. 3.—In a bloody battle between Italians and the 21 members of Troop D, state constabulary, in which fully 500 shots were fired, two troopers were killed and one fatally wounded, while three other persons received bullet wounds. The foreigners were entrenched in a house at Florence mine, seven miles from here. The dead: Private John Henry, 26, Philadelphia; Private F. Zerlinger, 30, Conshohocken; fatally wounded, Private Homer C. Chambers, Rochester, Pa. Others wounded: Private William A. Mullen of Harrisburg; First Sergeant Joseph Logan of Dubois; George Pelitzky, aged 12. The trouble began when Sergeant Logan went to Florence to search for Leopold Ricardet, who is charged with shooting his brother-in-law, Bruno Trazzone. The Italians are said to be members of the Black Hand.

LIABILITY OF THE DIRECTORS

Depositors Believe They Are in a Position to Prove It.

PROBING THE BIG FAILURE

Investigation Being Prosecuted by the District Attorney, Who Says There Will Be Arrests—Not Likely That Business Will Be Resumed by the Suspended Concern.

Philadelphia, Sept. 4.—With the aid of three assistants, District Attorney Bell began an investigation of the affairs of the Real Estate Trust company, which failed last week, with a view of ascertaining to what extent the laws of the state were violated in the transactions carried on by Frank K. Hipple, the late president of the company, and others connected with the institution. In his examination with Receiver Earle Mr. Bell said he found sufficient evidence to cause several arrests, but he preferred to make a complete independent investigation of the company's affairs before obtaining warrants. It is believed the company will never resume business and that the percentage of money the depositors will receive will not be as large as was at first expected.

That it is the intention of the depositors to place the burden of responsibility for the failure upon the shoulders of the directors has become known. Counsel representing \$500,000 of deposits declared they were in a position to prove the liability of the directors. They propose, in the event of the directors being unable to evolve a satisfactory plan of reorganization, to adopt measures which shall insure some benefits to depositors.

John H. Converse, one of the directors, said: "I stand ready and eager to pay my proportion of losses, but this proportion will be entirely based on my holdings of the company's stock. This I shall pay, and nothing more."

HEAR HEARST.

Syracuse Trades Unionists Hold a Large Meeting.

Syracuse, N. Y., Sept. 4.—William R. Hearst, guest of the local trades assembly, addressed nearly 3,000 persons here. In the course of his speech Mr. Hearst said: "The producing classes should stand shoulder to shoulder in the struggle against the exploiting corporations. The laws are made to favor the corporations, and they are too largely made by attorneys for the corporations. Judge Parker, a typical corporation attorney, says there are enough laws, and that the people do not need or desire any more. I say there are more than enough of the wrong kind of laws, but not enough of the right kind of laws. I do not advocate a strictly labor union party. I do not urge class distinction, but the abolishment of it. I believe in the retention by the people of the public franchises. I believe in public ownership of public utilities. But the first qualification for public ownership is honesty in office and independence in voting."

BOY'S CONFESSION.

Buries a Little Fellow Alive After Mistrusting Him.

Chicago, Sept. 3.—Robert Gordon, 16, confessed that he struck Joseph Reed, 8, with a brick, stunning him, and then buried him alive under a sidewalk in front of his father's home. Young Reed's body was found where the Gordon boy said he had buried it. Gordon was then arrested. The absence of the Reed boy from his home was noticed Saturday afternoon and search was immediately begun for him. Gordon aided the father in the search for several hours, and finally took him to where the body was buried and assisted in digging it up. When questioned by the police Gordon broke down and confessed that he had buried the boy in the basement of the Reed home, mistreated him, and when he attempted to escape struck him with a brick. He then buried him alive. Five other boys ranging in age from 15 to 20 years, who had been drinking with Gordon at the rear of the Reed home before the murder became known, were arrested and are being held by the police.

Trolleys in Collision.

Fern, Ind., Sept. 4.—Fort Wayne & Wabash Valley traction car No. 257 stopped on a steep hill south of this city to repair a broken trolley rope, and car No. 297, the "limited," coming down the grade at a very high speed, crashed into the standing car. Eighteen persons were injured, three of them seriously. Seriously injured: Charles White, Kokomo, Ind.; injured spine: Miss Myrtle Shuck, Kokomo, Ind.; head cut, bruised legs and arms: Miss Lillian Richie, Kokomo, Ind.; neck cut, back sprained, ankle broken.

WILL BE DROPPED

If Changes in Spelling Prove Unpopular, Says the President.

Oyster Bay, N. Y., Sept. 3.—President Roosevelt, in a letter to Charles A. Stillings, public printer at Washington, wrote that if the changes in spelling advocated by the simplified spelling board and put into use in official documents meet popular approval, they will be made permanent. If not, he wrote, they will be dropped. The president's letter says: "Most of the criticism of the proposed step is evidently made in entire ignorance of what the step is. There is not the slightest intention to do anything revolutionary or to initiate any far-reaching policy. The purpose simply is for the government, instead of lagging behind popular sentiment, to advance abreast of it. If the slight changes in the spelling of the 300 words proposed wholly or partially meet popular approval, then the changes will become permanent; if they do not ultimately meet with popular approval they will be dropped, and that is all there is about it. The movement is merely an attempt to cast what slight weight can properly be cast on the side of the popular forces which are endeavoring to make our spelling a little less foolish and fantastic."

MONDAY AFTERNOON.
Joe Stoupe and Newark's hard hitting was the combination that trimmed the McVeyites in the afternoon Labor Day. The smiling slaban had the hard hitting Mansfield bunch at this mercy all the time and allowed but five hits, two coming in the fifth, with a sacrifice, scoring one run.

Davis' single, Rais' sacrifice and Schweitzer's single scored one in the first. In the fourth with one out Snyder and Berryhill singled and with Snyder on third, Berryhill stole second. Haval's timely double scored both men. In the fifth, with one out, Wratten, Schweitzer, Drake and Snyder each singled scoring the first three. Scanlon tightened up after that and allowed no more hits.

The fast double plays by the Newark infield made a big hit with the fans.

MONDAY MORNING.
Not being satisfied with failing on the squeeze play Sunday the team took an opportunity Monday morning to sort out rub it in on the bugs and bungle the job again. Tom Rutledge said the play had been worked by the team successfully one hundred times this season, but the hundred and first and hundred and second failed.

Christian, a new pitcher who worked in the Central league last year, pitched good ball in the morning, but his error allowed the score to be tied. In the eighth, Schweitzer doubled and when Drake bunted, Bieri fielded the ball, but first was left unprotected and Ducky was safe. Drake stole second, but Schweitzer was held safe. The squeeze play was called for and Snyder hit to McLachle but Schweitzer failed to go in on the play and Drake was caught on the bag providing the German brunette off. The same play was tried again

and Schweitzer failed to score and was crowded off by Snyder. Lefty tried to score before Haval hit the ball but was caught. The Giants won out in the tenth on a pass, a sacrifice and a two sacker. With Davis on second in Newark's half of the tenth, Schweitzer and Drake fanned.

SUNDAY AFTERNOON.
A little poor headwork in running, bases probably caused by bungling signals left the Sunday game with Mansfield undecided. Just as Newark was about to win out, the big clouds had been hovering over Wehrle park during the afternoon, sprung a leak and for an hour it looked as though the elements had gathered at the park for a Sunday afternoon's jamboree.

Linke was found in the first inning for five hits and two runs. Newark tied the score forcing one over in the first on a pass, a sacrifice and two successive singles. The second came in the third on Wratten's single and steal with Breymaier's error and Schweitzer's long fly.

SATURDAY AFTERNOON.
Saturday's contest was a pretty one in which Baron Mueller was pitted against Lefty Webb, the late Ohio Wesleyan star. Webb was batted rather freely but for the first time since he came to Newark, he was not recorded edged support there was not an error behind him and the team batted opportunely which made winning easy. The fielding behind Webb

was on the sensational order and a snappy double play helped to make things interesting. In the third and sixth inning, Marion got two hits each time sandwiching sacrifices and stolen bases which made a run getting combination.

Newark scored in the fifth when Snyder was hit by a pitched ball. Berryhill sacrificed and Haval singled and stole second. Webb dropped a Texas leaguer back of third scoring Haval. Snyder's triple in the seventh followed by Berryhill's single scored another and a pass followed by a wild pitch and two singles and an error scored Wratten and Schweitzer in the eighth.

Youngstown 7, Sharon 1.
Sharon, Sept. 4.—Umpire Lavelle was mobbed at Independent Park on Monday morning at the Youngstown-Sharon game by a crowd of nearly 1000 fans who were enraged at a decision on a third out with bases full when Hardy was blocked on the base line by Scheitler on the way to first. At the close of the game the fans rushed to the diamond and surrounded Lavelle, who was rushed to the box office and locked inside. The fans pounded on the box office, but could not break it. The umpire was then spirited away to Sharpville on a street car. He was struck by sticks and stones and several threw big hunks of mud, plastering him up badly. The game was finished by Sharon under protest. Score:

MAJOR LEAGUE RECORD BROKEN
Game at Boston Went 24 Innings Before Decision was Reached—But One Game Longer.

Boston, Sept. 4.—A new major league record was established Saturday when Philadelphia defeated Boston, 4 to 1, in a 24 inning game that lasted nearly five hours. An advertised double header brought a large crowd to the grounds, but it was impossible to play the second game on account of darkness.

On but one occasion so far as recorded, had this number of innings been exceeded. In 1895 a game between Fargo and Grand Forks at Devil's Lake, North Dakota lasted 25 innings.

The second longest game on record prior to Saturday's contest was the Harvard-Manchester of 24 innings, played in Boston Common 29 years ago. But three major league games approach the present record, each having lasted 20 innings.

In the 26 years of professional baseball in this city only three games have extended over 15 innings and the Philadelphia American team was the victor in all three. One was a 17 inning game in 1902, the second was a 20 inning contest July 4, last year, and the third was Saturday's game.

The batteries were Combs and Powers for the Athletics, and Harris and Carrigan, Cager for Boston.

Rutledge 6, Liquor Co. 0.
In a five inning game at Idlewild park Sunday morning, the Rutledge team defeated the new team of the City League, the Newark Liquor Company, by a score of 6 to 0. Both Phillips and Smith of the Liquor Company, were batted and Strong allowed but two hits.

Ohio's Deated.
The Fitzsimmons Brothers' team of the Independent league, defeated the Ohio in a one sided game. The Ohio's failed to reach second until the seventh inning. The score was 13 to 0.

Eckstorm at O. M. U.
Dr. Eckstorm, the Mele coach, doesn't expect to see the Tigers into training before the first of next week. College teams on September 11.
The tangle over the team must be settled soon, St. Paul, and the team must be kept in place as adequate manager, but may not succeed in persuading him to stick to the job he handled so creditably last year.

JOYS OF MARRIED LIFE

BY GEORGE Q. BAKER.

A Good Time During Her Absence.
Howell—I gave my wife one hundred dollars for her vacation.
Powell—That's a large amount.
Howell—Well, I never got so much good out of money before in my life.

Exclamatory.
Mrs. Homespun—Now, when Lord Nocsch asks for Marie's hand you mustn't forget to say "My Lord."
Mr. Homespun—All right! And I'll bet he'll say "My Lord!" too, before I get through with him!

Not Very Reassuring.
Mr. Hynson—I believe you think more of your pet dog than you do of me.
Mrs. Hynson—How foolish of you! You know I would do as much for you as I would for the dog.

The Biggest of All.
Mrs. Jones—Ah! Marriage destroys all illusions.
Mr. Jones—Oh! I don't know. You have an illusion that you could have dissembled.

Poor Henpeck.
Mr. Henry Henpeck—The butcher told Mrs. Knowsitt that I was a henpecked old fool. Shall I discharge him?
Mrs. Henpeck—Immediately. He has no right to tell our family history to our neighbors.

Got Out Of It Easy.
Wife—John, dear, all last night you were crying in your sleep. "Give me a highball! Give me a highball!"
Hubby—Guess I was dreaming I was—er—er playing baseball.

ALLEN CASE DROPPED

William Allen, claiming Columbus as his home, was arrested Monday night upon the complaint of a bartender in Fitzsimmons' saloon, who charged that Allen worked the short change racket on him to the extent of \$5. The bartender stated that Allen came into his place and ordered a drink, tendering a \$10 bill in payment. Several bills of small denomination were returned in the change and Allen is said to have made several presto change passes and succeeded in getting the \$10 note back from the bar keep. His arrest followed.

At the police station Tuesday morning, Allen seemed very anxious to settle the case, though he emphatically declared that he was innocent. He returned a \$5 bill to the saloonist and the case was dropped.

AMERICANS WIN

Decisive Triumph Over Germany in First of Series of Races Off Marblehead.

Marblehead, Mass., Sept. 4.—America scored a decisive triumph over Germany in the first race of the series for the Roosevelt cup off here. The American yacht Auk, owned by Charles Francis Adams, second treasurer of Harvard university, won the initial contest by a large margin. Vim, owned by Commodore Clark of the American Yacht club of New York, was second, 3 minutes 28 seconds behind. The third boat to cross the finish line was the German yacht Wannsee, owned by the Wannsee club of Kiel, Germany. The fourth yacht was the Caranba, owned by C. H. W. Foster of the Eastern Yacht club, while Tilly VI and Gloucester IV, two German craft, were in fifth and sixth places respectively.

Won Charter Oak.
Hartford, Conn., Sept. 4.—Nut Boy, the crack bay gelding owned by J. A. Crabtree of Quincy, Mass., and driven by McHenry, was the star performer at the opening day of the Grand Circuit meet at Charter Oak park, winning the \$10,000 Charter Oak trotting event in two heats out of three. There were 16 starters, and when the horses went to the post Gold Dust Maid with Geers up was the favorite, selling for \$50 in the pools. Her performance was poor, however, and the best she could do was fourth in the first heat. Second money in this event went to Oro and third money to Mack Mack. Nut Boy's time in the second heat, 2:07½, is a record for this event.

Intercity Races.
Readville, Mass., Sept. 4.—The Gentlemen's Driving club of New York carried off the honors in the first of the intercity races for driving clubs at the Readville track, winning four out of the seven. The Cleveland club was second with two victories and Syracuse club third with one victory. The interest was in the 2:09 trotting class for a \$10,000 cup, and invader, a New York horse, won in two out of three heats, Robert Mc getting the first heat by a fast drive through the stretch. Time: 2:13, 2:12½.

LITTLE GIRL IS ATTACKED BY COW

INFURATED ANIMAL KNOCKS DOWN HELEN SNELLING, AGED TEN YEARS.

Miss Hattie Snelling Raising an Umbrella Attracted Cow's Attention and Child Escaped.

A wild cow attacking a little girl and knocking her down, was one of the things not on the bills that occurred in Newark on Labor Day.
Ada Snelling, aged 12, and Helen B. Snelling, aged 10 years, daughters of Mr. Jesse Snelling, left their home Monday morning to come down street, and were accompanied by Mr. Snelling's sister, Miss Hattie M. Snelling, of Meigen, who has been visiting here for several days. Just as they were crossing the old graveyard lot corner of Sixth and West Main streets a large black muley cow covered with mud, came dashing wildly through the grounds. The animal had the appearance of being crazy and when it caught sight of the children she dashed madly towards them bellowing and with tail elevated. The children, who were a little ahead of Miss Snelling, sister of Mr. Snelling, attempted to get out of the way of the infuriated animal, but before they had run many feet the

cow was upon them and knocked Helen with considerable force to the ground. When she attempted to regain her feet the cow attacked her again and would surely have trampled her to death had it not been for the presence of mind and courage of Miss Hattie Snelling, who rushed bravely to the rescue. Fortunately the cow had been provoked and the little girl was saved from being sore to death. Miss Snelling, who claimed to have a large umbrella in her hands suddenly raised the umbrella in the face of the animal thus diverting its attention from the little girl who quickly scrambled to her feet and was soon in a place of safety, having escaped with only a few slight bruises.

KELLER FAMILY ANNUAL REUNION

OVER 200 MEMBERS ATTENDED THE GATHERING NEAR THURSTON.

Isaac Keller Elected President, Paul Jones Vice President, Amos Keller Secretary.

The first annual reunion of the Keller family was held at the home of Mr. Isaac Keller, five miles south of Thurston, Fairfield county, on August 30. The Keller family is one of the pioneer families of Fairfield, Licking and Knox counties, and is very large. Members of this family are now located in many states and were represented at this reunion. The stately home of Mr. Isaac Keller, the president of the association, was a busy scene even on the day previous to the meeting many of the distant relatives arriving on that day and a welcome and hospitality that gladdened the hearts of the visitors were cheerfully extended by the venerable president and his wife.

The weather was fine, the arrangements complete and the dinner splendid. Later in the day cake, ice cream and watermelon were served. The forenoon was made a social session. The after dinner talk (address of welcome) was given by Attorney Paul Jones of Columbus, and the response was made by Judge B. H. Miller of Amesosa, Iowa. The officers chosen for the coming year are Isaac Keller, Thurston, O., president; Paul Jones of Columbus, vice president; Amos Keller, Tiffin, secretary, and Arthur Cunningham, treasurer.

The president was instructed to appoint ten members of the association to compile data for a complete history of the Keller family. An invitation to hold the next reunion in Seneca county was accepted. The date will be first Thursday in October. The register showed 205 visiting relations, who spent a day long to be remembered.

INDIGESTION

Cured by Removing the Cause.
The only remedy for indigestion and all attending ills such as rheumatism, bloating, headache, backache, dropsy, gall stones, Bright's disease, heartburn, gastritis, bad blood, constipation, catarrh and kidney disease is the never failing remedy which has been used for over thirty years by Dr. Jackson in his private practice, and is now known as

Dr. Jackson's Digestive and Liver Powders

which have cured thousands of cases of indigestion and all its attending ills, for over 25 per cent of all human ills are from the direct cause of indigestion, and to "remove the cause" you must start at the root of the trouble. To have good health you must have good blood, to have good blood you must eat nutritious food, as no medicine will make good blood, the food must be dissolved in the stomach and not allowed to ferment and cause uric acid poison causes bloating and the gases crowd the heart and the kidneys are too weak to throw off the poisoned acids. The food must be dissolved or digested properly, the digestive organs are too weak to do their work and must be aided by taking Dr. Jackson's Digestive and Liver Powders, which are put up in proper proportions and contain every ingredient needed for the weak digestive organs, being in powder form they dissolve as soon as they reach the stomach and give immediate relief. As these packages are in bulk form the patient can afford to take dose sufficient to digest a hearty meal at less than a penny a dose.

On sale by all druggists or sent direct.

REV. HIRAM SEARS

Speaks in Five Newark Churches and Calls Upon People in Interest of Cleveland Society.

The Rev. Hiram Sears, D. D., of Cleveland, well known to many here as the superintendent of the Western Seamen's Friend Society for the Lake Erie District, is in Newark again on his annual visit in the interest of the society, the object of which is to give the gospel with Sunday school and industrial school privileges to the families of sailors, boatmen, wharf and dock men, railroad men, fishermen, lumbermen and other laboring people in the ports on our great northern lakes and western rivers, and to extend to their families visitation, the distribution of religious literature and private charities in times of affliction and bereavement. The further objects of the society are to establish temperance boarding houses for them with reading rooms furnished with suitable reading matter for their entertainment while in port from time to time. The territory of this humane and evangelical society reaches from the Allegheny to the Rocky mountains. Cleveland is the headquarters and is aiding in extending the work to ports not yet provided for. Our citizens have contributed to this noble cause before and will doubtless do it again while Mr. Sears is here. He will be at No. 63 North Fourth street a few days this week. Mr. Sears is 81 years of age, but he appears to be a man of 70. He spoke in five of Newark's churches last Sunday, and is today calling upon Newark citizens.

INJUNCTION IN MATTHEWS' FAVOR

JUDGE SEWARD DECIDED CASE WHICH WAS HEARD HERE LAST WEEK.

Auditorium Trustees Had Endeavored to Remove Mr. Matthews as House Manager.

Judge Seward on Tuesday morning decided the case of Chas. E. Matthews vs. The Board of Trustees of the Soldiers' and Sailors' Memorial Building, the plaintiff being manager of the Auditorium theater.

Mr. Matthews stated in his petition that the defendants passed a vote to oust him from control and to install Mr. L. D. Homer; that this action was illegal, and asked for an injunction. On the filing of the petition, plaintiff secured a preliminary order of injunction, and the matter came on to be heard on a motion to dissolve this preliminary order. The court overruled the motion to dissolve the injunction, holding in Mr. Matthews' favor. Flory & Flory, Bolton; Kibler & Montgomery.

Before Judge Seward. The case of J. L. Roddeback vs. Charles R. Bell, is on trial to Judge Seward Thursday. It is an action brought to enforce the specific performance of a contract for the sale of real estate, the land being situated in Liberty township. The plaintiff claims that he is entitled to a deed from the defendant by virtue of a written contract executed for the sale of the premises. The defendant denies the validity of the contract. Kibler & Montgomery; Fulton & Fulton.

Transcripts Filed. A transcript from the civil docket of James T. Deeson, justice of the peace of Jersey township, in the case of O. W. Brown vs. John De Wolfe, has been filed with the clerk of the court.

A transcript from the docket of J. B. Jones vs. Willard C. Wintermute, has been filed with the clerk of the court.

Road Cases and Sheep Claims. The county commissioners are holding their regular session for the consideration of road cases and sheep claims. Only a small number of sheep claims have been received.

Court Notes. Margaret E. Wilhelm has been appointed administratrix of the estate of Darwin C. Wilhelm, deceased, of Hanover township. Bond \$5000.

Martha Niemeth, a native of Germany, has been given his final naturalization papers by the Probate court, and is now a full fledged American citizen.

A citation was issued to the heirs of Ezekiah Taylor to take or renounce the administration of his estate. The hearing is set for Saturday, September 8, at 10 o'clock.

Edward W. Crayton, trustee, vs. Homer G. Woolard and Harry Woolard, a minor over 14 years of age, has filed his answer and cross petition, in which he prays that \$300 be set off against the plaintiffs' demand with interest from February 16, 1899, and that the lien of plaintiff on the real estate described in the petition be held for naught and that the same be considered void and of no effect. Eugene Moore, attorney for defendant.

In the case of Frank T. Lippincott vs. James P. Lingafelter, and others, A. A. Stasel, receiver of the Newark Savings Bank company, says that the Lingafelter & Lippincott Manufacturing company are indebted to the Newark Savings Bank company in the sum of \$694.28, with interest from May 20, 1904. He asks for an order of distribution of the money arising from the sale of the property made in the payment of his claims so far as the same will pay the claims. A. A. Stasel, attorney for A. A. Stasel, receiver of the Newark Savings Bank company.

In the case of the P. Smith Sons Lumber company vs. James S. Dagley et al, the Newark Artificial Stone and Plaster company has filed its answer and cross petition. B. P. McDonald, attorney.

Whether the trial will proceed with Judge Eason on the bench or whether another judge will be sent here to try the case can not be definitely stated at 3:30 p. m.

NEXT SATURDAY TO BE TAG DAY

KING'S DAUGHTERS ARE NOW BUSY ARRANGING TO RECEIVE DONATIONS.

Fund to be Used by Day Nursery—Remember Donation Day on Saturday, Sept. 8.

The various circles of King's Daughters interested in the Day Nursery have been very busy during the past few weeks arranging for their Donation and Tag Day, next Saturday. Every mercantile and business man has been seen and with but few exceptions they have all agreed willingly to either make a donation or give a percentage of their sales for that day. This means that by buying from the merchant's and business men, the list of which will be given in tomorrow's issue of this paper, you will be pleasing yourself and helping one of the most worthy institutions in our city. When you read the list of donors tomorrow, just stop to think a minute and see if there is not something in their line that you need, then wait until Saturday to buy. The plan is very simple, but it is generous on the part of our business men and will mean much to our Day Nursery. If you have no purchases to make next Saturday from a glass of soda to a paper of pins you may make your offering through the King's Daughters whom you will find waiting for you on every corner of the streets. The Day Nursery needs no better recommendation than its work for the public during the past year. With its new quarters the Wing property on East Main street, it is better prepared to do efficient and satisfactory service. Remember Donation and Tag Day for the Nursery, Saturday, September 8.

YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Headaches are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

FIRST ACCIDENT OF THE SEASON

MT. VERNON MAN HURRIED TO BEDSIDE OF DYING GRAND-SON AT DANVILLE.

And Learns Upon Arrival That His Wife Had Been Fatally Injured Also.

Mt. Vernon, Sept. 4.—The first hunting accident of the season occurred Monday near Danville, when George Blubaugh, a 16 year old boy, received the full contents of a shotgun in his head and shoulders. One eye was shot out and he received other wounds which will result in death. Blubaugh was shot by L. A. Mickley, who is almost prostrated over the incident.

George Smithbbhisler, grandfather of the boy, drove here from Mt. Vernon to see him, but had no sooner arrived than he received a message stating that his wife had been thrown out of a buggy and received injuries from which she will die.

WEDDINGS.

SAVIN-KOVY.

Mr. Gideon Savin and Miss Clara Kovy, both natives of Hungary, were married by Justice Lake Saturday afternoon. The wedding party, which consisted of the bride and groom and about twenty of their Hungarian friends, arrived at the justice's office in cabs, and when the bride and groom took their stand before the justice they presented a very attractive appearance. The bride was dressed in a handsome gown of white and wore an immense bridal veil. One of the bridesmaids carried a bouquet. It was the swellest wedding at which the justice ever officiated.

PEASLEY-BEAR.

Saturday afternoon Justice Lake united in marriage Mr. Charles Peasley, a well known young farmer of Johnstown, and Miss Francis May Bear of the same locality.

JUDD-WELLER.

A very pretty wedding was solemnized Tuesday at 11 o'clock when Miss Mary Weller became the wife of Dr. W. B. Judd. The wedding took place at the home of the bride's parents on East Main street. Miss Weller is a young lady of charming personality, while Dr. Judd occupies the chair of philosophy at the Mt. Union college at Alliance, O. The young couple left for a trip through northern Ohio, and will be at home to their friends after September 15 at Alliance, O.

YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Headaches are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.
